

THE WONDER

Words and music by Tom Read

Key: E

VERSE 1:

E
If I rise on the wings of dawn
C#m
Or settle down on distant shores
B **F#m**
Still Your hand is guiding me
E
You are there

VERSE 2:

If I run on mountains far
If I could travel to the furthest star
Still Your hand is guiding me
You are there

PRE-CHORUS:

B **C#m**
Even though, I might have said these words
A **E**
Over a thousand times before
B **C#m**
Even though, I know I have sung these words
A **F#m**
I will never stop saying, never stop singing

CHORUS:

E
I love You
A
Yes I love You
C#m **A (Second time F#m)**
And I'll never lose the wonder of
E
The wonder of You

VERSE 3:

If I should wake to this world one day
And find that all is gone away
Still Your hand will be holding me
You are there
